L. J. Tjernagel, Secretary.

IT is decided that a picture of the homes where re-unions have been held should be sent to all members; also that a similar picture of the place where re-union is held be sent to members each year hereafter. In this way, it will be seen we will in the course of a few years have quite an album of Tjernagel homes.

It may be noted that in many instances the residences are so surrounded by trees that it is extremely difficult to get a good landscape view. The photographer did his best, however.

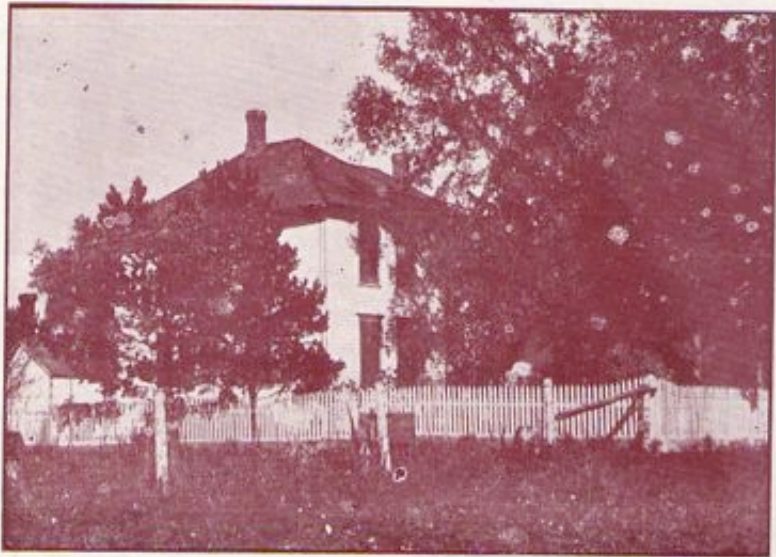

When you write to the Secretary give your full name and address with Street No.
